Full Scope of Care, All Under One Roof.

Physicians and physical therapy professionals providing outstanding care to patients injured in an accident.

Going Above and Beyond

We have a full team of doctors, specialists and the equipment needed to diagnose and treat your client's injuries in one location. This makes it easy for your clients to get the care they need.

What Sets Us Apart

We provide personalized attention to individuals hurt in an auto accident, at work, or as a result of a slip and fall.

Our doctors specialize in personal injury

All patients are seen by a doctor who determines their proper course of treatment.

Expedited service

We understand that getting a same-day appointment is a critical step in your client's recovery. We also offer online tools to help you track their medical progress in real time.

Additional benefits:

-  **31** Same day appointments available 6 days a week
-  Free, instant and secure access to medical records
-  Schedule appointments online for 60+ locations
-  Services offered on site, under one roof
-  Transportation for patients
-  Multilingual professionals and staff

A Full-Service Medical and Physical Therapy Center

Our team of medical professionals offer a full-suite of comprehensive care and specialize in:

-  **Orthopedics**
Diagnose and treat injuries affecting the bones, joints, ligaments, tendons, and muscles.
-  **Neurology**
Diagnose and treat brain and spinal injuries, including concussions.
-  **Physiatry**
Assess and alleviate pain following an accident.
-  **Generalized Medicine**
Assess and treat a wide range of injuries following an accident.
-  **Physical Therapy**
Improve mobility following an injury.
-  **Radiology**
In-house x-rays, MRIs, CT Scans and more.

Locations Across the DMV Area

We have more than 60 specialty care locations across Maryland, Virginia, Washington D.C., and Delaware.
